Prizes will be awarded to the teams with the three lowest scores on the front nine holes as well as the three lowest scores on the back nine holes. Each team can win only one prize (the largest prize for which they qualified). Additional prizes will be awarded. Please enter immediately we will play the 1st 100 golfers to enter. Spaces are limited! Please balance your team in terms of skills (A, B, C, D players) No team? We will put one together for you. Course rules apply to tournament and course equipment.

Friends each October we celebrate pastors appreciation, we are inviting friends to be a part of a golf tournament October 4, 2019 at Silo Run Golf Course. All proceeds will go to Friends Pastors Association of North Carolina. There is a need to find assets that could support this group, during times of fellowship and continuing education.

Here is what I'd like to say to my Friends today: maybe you, your family, Sunday school class or congregation would consider being a whole sponsor for this event. If you have golfers in your family or friends please encourage them to play. Friends we need golfers and any gifts you are lead to share. Please, let come together to support our pastor association and their financial needs. Thank you!
